Freedom of Information Policy

For

GMLT Schools

(effective from 24th January 2017)

Date of Issue: 24th January 2017
Review Date: January 2018

Freedom of Information

We believe this policy should be a working document that is fit for purpose, represents the school ethos, enables consistency and quality across the school and is related to the following legislation:

- Data Protection Act 1998
- Freedom of Information Act 2000
- Environmental Information Regulations 2004

We are aware that under the Freedom of Information Act 2000 (FOIA) we have a legal duty to supply certain information to enquirers and that we must be clear and proactive about the information we make public.

To do this we have in place a publication scheme that sets out:

- The classes of information we publish or intend to publish
- The manner in which the information will be published
- How to request information
- Payment for information

We are committed to the aims of the FOIA and the access provisions of the Data Protection Act 1998 by promoting an open transparent policy as we believe the public have a right to access the recorded information held by us.

We understand that recorded information held by us relates to the business of the Trust and the schools within the trust, and includes information that is:

- created and held by us
- created by us but held by another organisation on our behalf
- held by us but relating to the Trust
- held by us but relating to the Governing Body
- held by us but provided by third parties

We believe the FOIA will encourage greater openness and accountability in public authorities, help increase levels of public trust, encourage improvements in our interaction with the public and provide the public with information they require in order to participate in decision making.

We understand that the FOIA allows schools to withhold certain information which are listed under Absolute Exemption and Qualified Exemption.

We are 'under a duty to provide advice and assistance to anyone requesting information and must respond to the enquiry promptly, and in any event, within 20 working days of receipt (not including school holidays)'.

A Greater Manchester Learning Trust Policy

We, as a school community, have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.

Aims
