

Manchester Museum, Oxford Road

Autism Friendly Early Opening
Sat 9 Sept: 9.15-10.30am

See, Make and Do at the Museum

Join us for our early openings at the Museum aimed at children who have autism and other needs, along with their families and carers, and siblings.

Activities take place before the Museum opens to the general public and there will be a quiet room available too. See objects, do activities & make creations inspired by one of the Museum's galleries. A different gallery will be open at each early opening.

In September galleries our Fossils gallery where Stan the T-Rex lives will be open earlier.

Come along to enjoy and explore together.

Second Saturday of every month.

Drop-in, free. Autism Friendly: for children and young people aged 5-16 with a parent or carer and siblings welcome
