Tuesday 15th May

Yr10 End of Year Assessments – Monday 18th June to Friday 29th June

Dear Parent / Carer

As we approach the end of the academic year, your child will be taking their end of year assessments. These will comprise written tests or practical tasks in each of their subjects. Your child will also have already taken the external English Literature GCSE examinations during May. The results of these will allow us to assess the progress your child has made over the course of the year as well as help with student groupings for Year 11.

Although English lessons have been heavily focussed around revision for some time now, tutors have also given students advice on revision strategies. Subject teachers are helping students to use different methods to create resources and prepare themselves thoroughly for the assessments they will take. Individual subjects will be providing revision topic lists and guidance to aid your child during their lessons. Revision guides are also available from each faculty or the rewards shop.

To help you and your child plan for these assessments I have provided a copy of the assessment schedule. Where students take 2 of the subjects in an assessment slot they will carry out the subject in bold. Your child will then complete the remaining assessment in the 'catch up' session shown. Your child will also have received a copy of this timetable for their school planner.

Your child should ensure that for each assessment they have the following equipment:

- a clear pencil case or plastic bag
- calculator
- black pen(s)
- pencil
- ruler
- protractor
- rubber
- pencil sharpener

These items can all be purchased in the schools shop using their rewards points. Should you have any questions or queries regarding these assessments please don't hesitate to contact the year team.

Yours sincerely

Andrew Langford
